

Telford & Wrekin Primary Subject Leaders Conference

This Primary Subject Leaders Conference is suitable for all teachers of Primary Science. The Conference will be taking place on 8 February 2024 at AFC Telford. This Primary Subject Leaders Conference is delivered in collaboration with the North Midlands Science Learning Partnership and the Severn Training & Schools Alliance. Workshop choices will be confirmed in response to teacher needs.

Please email us at NMSLP@potteries.ac.uk for further information.

Outcomes

- discuss current good practice in primary science
- recognise your own good practice, and identify areas for development
- reflect on ways to translate ideas to your school context, and plan for action

98% of those asked about the CPD in Science Learning Partnerships said the activity had improved their confidence, knowledge and skills

National STEM Learning Network

What are you looking for?

PROFESSIONAL DEVELOPMENT

We offer high-impact professional development across the UK, and online, based on the latest developments in both pedagogy and STEM subjects. We can also tailor professional development to your school's specific needs with our bespoke CPD.

CAREERS EDUCATION

As well as a host of excellent resources on our website including the Careers Toolkit, we also run the STEM Insight programme to give you a unique experience in industry or university through inspiring placements.

INSPIRATION

We've got a host of ways to help you inspire your students: why not bring a STEM Ambassador into your school to talk about STEM subjects and careers, or start a STEM Club to build confidence and teamwork skills?

COMMUNITY

Share your ideas and challenges with teachers and technicians through our online groups and at our networking events. And join us on Twitter - we have over 20,000 like-minded educators following us.

National STEM Learning
Centre and Network

RECOGNITION

Our recognition schemes and awards allow you, your department and school to showcase the impact you have on your students and colleagues.

RESOURCES

We have over 38,000 quality, STEM teaching resources, available online or at our centre. You can also browse teacher-made resources and submit your own.

STEM Learning operates the National STEM Learning Centre and Network, alongside other projects supporting STEM education
