

Telford & Wrekin Primary Subject Leaders Network

This Primary Subject Leaders Network is delivered in collaboration with the North Midlands Science Learning Partnership and Severn Training & Schools Alliance (STSA). It is suitable for all Teachers of Primary Science. The network sessions will be taking place once per term in 2023 and 2024. Two will be face-to-face at Brookside Hall and one will be remote. The sessions are as follows:

Session 1 (venue: Brookside Hall)
7 November 2023 @ 16:00 – 17:30

Session 2 (remote-delivered)
27 February 2024 @ 16:00 – 17:30

Session 3 (venue: Brookside Hall)
14 May 2023 @ 16:00 – 17:30

Please email us at NMSLP@potteries.ac.uk for further information.

Outcomes

- work collaboratively to lead and support the Primary Science curriculum in your school
- work collaboratively to identify priorities in Science teaching and learning and in Science-specific professional development for your teams
- share and develop strategies to tackle these issues, drawing on expertise as needed from outside the network

98% of those asked about the CPD in Science Learning Partnerships said the activity had improved their confidence, knowledge and skills

National STEM Learning Network

What are you looking for?

PROFESSIONAL DEVELOPMENT

We offer high-impact professional development across the UK, and online, based on the latest developments in both pedagogy and STEM subjects. We can also tailor professional development to your school's specific needs with our bespoke CPD.

CAREERS EDUCATION

As well as a host of excellent resources on our website including the Careers Toolkit, we also run the STEM Insight programme to give you a unique experience in industry or university through inspiring placements.

INSPIRATION

We've got a host of ways to help you inspire your students: why not bring a STEM Ambassador into your school to talk about STEM subjects and careers, or start a STEM Club to build confidence and teamwork skills?

COMMUNITY

Share your ideas and challenges with teachers and technicians through our online groups and at our networking events. And join us on Twitter - we have over 20,000 like-minded educators following us.

National STEM Learning
Centre and Network

RECOGNITION

Our recognition schemes and awards allow you, your department and school to showcase the impact you have on your students and colleagues.

RESOURCES

We have over 38,000 quality, STEM teaching resources, available online or at our centre. You can also browse teacher-made resources and submit your own.

STEM Learning operates the National STEM Learning Centre and Network, alongside other projects supporting STEM education
