Future in Mind

Suporting the Mental Health of Children, Families and Staff

STSA are excited to share our Future in Mind programme for 26/27:

Autumn (Choice of dates):

Supporting staff working with pupils with complex needs, to prevent burnout, delivered by The Wellness Toolkit.

Spring (8th February 2027):

Managing the Crisis Model – supporting children with complex SEMH needs in the classroom, delivered by Darren Lennon.

Summer (7th May 2027):

Supporting Loss & Bereavement for Children, Young People and Adults, delivered by Dr Jody Walshe.

The programme is open to all schools and services in Shropshire and Telford, and the cost for the full programme of three full days of training is just £384 (one delegate per SLA). Interested? Email stsa@taw.org.uk for further details.
